

## **OTHER PARTICIPATING CLERGY DURING HOLY MATRIMONY**

Invitation of other participating clergy must first be discussed with the Officiant of the marriage ceremony. Upon approval of participation, the Pastor shall make all arrangements of invitation for such through his office.

If the guest priest is a member of the Armenian Church Clergy, he may be invited to share in the service completely. Clergy of other denominations shall be allowed participation in extent to the faith traditions of the Armenian Orthodox Church. The same applies to deacons, soloists and other participants.

The Pastor or the Parish Council shall make all necessary arrangements for the deacon, organist and/or soloist, and will provide the couple. If the Pastor or other clergy are to be invited to the reception, a wedding invitation ought be sent directly to them.
